To all ACO's,

The Animal Welfare Program is currently searching for an ACO who would be interested in representing animal control officers on the Animal Welfare Advisory Council. This is a Governor appointed position, after Department recommendation and would require attending monthly meetings in Augusta. We are looking for this position to become available January 1, 2008.

I have included for your review a "Frequently Asked Questions" hand out that gives more information on what your duties/responsibilities would be if you were selected for these position.

If you are interested in applying for this position please send me a letter of interest and a brief resume of your animal control experience no later than November 30, 2007.

If you have questions or need further information I can be reached at 207 297-3846 or by email at norma.j.Worley@maine.gov

Sincerely,

Norma J. Worley
